## APPRAISER:

Each year the number of qualified applicants to Franklin Pierce Law Center exceeds the number that can be accepted. With this in mind, the Admissions Committee seeks your assistance in evaluating this applicant. We would greatly appreciate your candid appraisal of the applicant's abilities and potentials for the study and practice of law.

Recommendations pointing out both strengths and weaknesses are encouraged as they more accurately portray the candidate.

The Committee is interested in knowing how long, how well, and in what capacity you have known the applicant. While conclusions may be helpful we are particularly interested in your analysis of the applicant's:

- native intelligence and independence of thought as well as analytical skills and writing ability;
- special interests, motivations, personal qualities, social and academic background, or emotional makeup which may distinguish the applicant from other applicants; and
